## NOTES TO THE FINANCIAL STATEMENTS FOR THE HALF YEAR ENDED 31 DECEMBER 2009

### 1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

### (a) Basis of Preparation

The half year financial statements are a general purpose financial report prepared in accordance with the requirements of the Corporations Act 2001, Accounting Standard AASB 134: Interim Financial Reporting, Australian Accounting Interpretation and other authoritative pronouncements of the Australian Accounting Standards Board.

The financial report was authorised for issue on 24 February 2010 by the Board of Directors.

It is recommended that the half year financial report be read in conjunction with the Annual Financial Report for the year ended 30 June 2009 and any public announcements made by Cadence Capital Limited ("the Company") during the half year in accordance with continuous disclosure requirements arising under the Corporations Act 2001.

The half year report does not include full disclosures of the type normally included in an annual financial report.

The financial statements have been prepared on an accruals basis and are based on historical costs with the exception of "held for trading" financial assets and certain other financial assets and liabilities which have been measured at fair value.

The accounting policies have been consistently applied by the Company and are consistent with those applied in the 30 June 2009 Annual Financial Report apart from those outlined below.

#### Accounting Standards not previously applied

The Company has adopted the following new and revised Australian Accounting Standard issued by the Australian Accounting and Standards Board which is mandatory to apply to the current interim period. Disclosures required by this Standard that are deemed material have been included in this financial report on the basis that they represent a significant change in information from that previously made available.

### Presentation of Financial Statements

AASB 101 prescribes the contents and structure of the financial statements. Changes reflected in this financial report include:

- the replacement of income statement with statement of comprehensive income. Items of income and expense not recognised in profit or loss are now disclosed as components of 'other comprehensive income'. In this regard, such items are no longer reflected as equity movements in the statement of changes in equity;
- the adoption of the single statement approach to the presentation of the statement of comprehensive income;
- other financial statements are renamed in accordance with the Standard; and
- presentation of a third statement of financial position as at the beginning of a comparative financial
  year where relevant amounts have been affected by a retrospective change in accounting policy or
  material reclassification of items.

#### (b) Details of Reporting Period

The current reporting period is the half year ended 31 December 2009. For the Statement of Comprehensive Income, Statement of Changes in Equity and the Cash Flow Statement, the previous corresponding period is the period ended 31 December 2008. For the Statement of Financial Position, the previous corresponding date is 30 June 2009.

### (c) Segment Reporting

The half year financial report is for the individual entity Cadence Capital Limited. It is a publicly listed company limited by shares, incorporated and domiciled in Australia.

The Company is engaged in investment activities conducted predominantly in Australia and derives revenue and investment income from listed and unlisted securities and fixed interest securities.

# INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS OF CADENCE CAPITAL LIMITED

## Report on the Half-Year Financial Report

We have reviewed the accompanying half-year financial report of Cadence Capital Limited ("the company"), which comprises the condensed statement of financial position as at 31 December 2009, the condensed statement of comprehensive income, the condensed statement of changes in equity, the condensed cash flow statement for the half-year ended on that date, the accounting policies and other selected explanatory notes and the directors' declaration.

Directors' Responsibility for the Half-Year Financial Report

The directors of the company are responsible for the preparation and fair presentation of the half-year financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the *Corporations Act 2001*. This responsibility includes designing, implementing and maintaining internal control relevant to the preparation and fair presentation of the half-year financial report that it is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

### Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410: "Review of an Interim Financial Report Performed by the Independent Auditor of the Entity", in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the financial report is not in accordance with the *Corporation Act 2001* including: giving a true and fair view of the company's financial position as at 31 December 2009 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134: "Interim Financial Reporting" and the *Corporations Regulations 2001*. As the auditor of Cadence Capital Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of the half-year financial report consists of making enquiries, primarily of persons responsible for the financial and accounting matters, and applying analytical and other review procedures. It also includes reading the other information included with the financial report to determine whether it contains any material inconsistencies with the financial report. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

While we considered the effectiveness of management's internal controls over financial reporting when determining the nature and extent of our procedures, our review was not designed to provide assurance on internal controls.

Our review did not involve an analysis of the prudence of business decisions made by directors or management.

Matters Relating to the Electronic Presentation of the Audited Financial Report

This review report relates to the financial report of the company for the half-year ended 31 December 2009 included on the website of Cadence Capital Limited. The directors of the company are responsible for the integrity of the website and we have not been engaged to report on this integrity. This review report refers only to the half-year financial report identified above and it does not provide an opinion on any other information which may have been hyperlinked to or from the financial report. If users of this financial report are concerned about the inherent risks arising from electronic data communications, they are advised to refer to the hard copy of the reviewed financial report to confirm the information included in the reviewed financial report presented on the company's website.

## Independence

In conducting our review, we have complied with the applicable independence requirements of the *Corporations Act 2001*.

### Conclusion

IUO BSN |BUOSJBQ JO-

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of Cadence Capital Limited is not in accordance with the *Corporations Act 2001*, including:

- (i) giving a true and fair view of the company's financial position as at 31 December 2009 and of its performance for the half-year ended on that date; and
- (ii) complying with Accounting Standard AASB 134: "Interim Financial Reporting" and the *Corporations Regulations 2001.*
