7. FINANCIAL INSTRUMENTS MEASURED AT FAIR VALUE

AASB 13: Fair Value Measurement requires the disclosure of fair value information using a fair value hierarchy reflecting the significance of the inputs in making the measurements. The fair value hierarchy consists of the following levels:

- Level 1: Quoted prices in active markets for identical assets or liabilities.
- **Level 2:** Inputs other than quoted prices included within Level 1 that are observable for the asset or liability either directly (as prices) or indirectly (derived from prices).
- **Level 3:** Inputs for the asset or liability are not based on observable market data (unobservable inputs).

Included within Level 1 of the hierarchy are listed investments. The fair values of these financial assets and liabilities have been based on the closing quoted last prices at the end of the reporting period, excluding transaction costs.

A.B.N. 17 112 870 096

NOTES TO THE FINANCIAL STATEMENTS FOR THE HALF-YEAR ENDED 31 DECEMBER 2023

7. FINANCIAL INSTRUMENTS MEASURED AT FAIR VALUE (CONTINUED)

Investments included in Level 2 of the hierarchy include amounts in relation to Contracts for Difference, Financial Liabilities, Initial Public Offerings and Placements in which the Company has subscribed to during the period. The fair value of Contracts for Difference and Financial Liabilities have been determined using market inputs of the underlying investments. Initial Public Offerings and Placements are investments that have not listed on the Australian Stock Exchange as at 31 December 2023 and therefore represent investments in an inactive market. In valuing unlisted investments as at 31 December 2023, included in Level 2 of the hierarchy, the fair value has been determined using the valuation technique of the quoted subscription price and the amount of securities subscribed for by the Company under the relevant offers.

Level 3 asset class is made up of one unlisted investment in Partners Group Global Income Fund a Listed Investment Company (LIC) that was previously listed on the ASX under the code PGG. This investment was purchased in September and October 2023. This investment can be redeemed with Partners Group if required and is valued at its redemption value.

Classifications are reviewed at each reporting date and transfers between levels are determined based on a reassessment of the lowest level of input that is significant to the fair value measurement.

The following table presents the Company's financial assets and liabilities measured and recognised at fair value at 31 December 2023:

31 December 2023	Level 1 \$	Level 2 \$	Level 3 \$	Total \$
Financial assets	223,828,252	-	2,438,210	226,266,462

Total	122,403,563	-	-	122,403,563

The carrying amounts of trade and other receivables and trade and other payables are assumed to approximate their fair values due to their short-term nature.

8. EVENTS SUBSEQUENT TO REPORTING DATE

The Board declared a 3.0 cents fully franked interim dividend per share on 26 February 2024 payable on 30 April 2024. The Ex-Date for the dividend is on 15 April 2024.

Other than the above, there has not arisen in the interval between the end of the year and the date of this report any item, transaction or event of material and unusual nature likely, in the opinion of the Company, to significantly affect the operations of the entity, the results of those operations, or the state of affairs of the entity, in future financial years.

7. CAPITAL COMMITMENTS AND CONTINGENT LIABILITIES

No capital commitments exist for placements entered into before 31 December 2023 which settle after this date. There were no contingent liabilities as at 31 December 2023. (June 2023: Capital commitments of \$431,069 and no contingent liabilities).

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the accompanying half-year financial report of the Company does not comply with the *Corporations Act 2001* including:

- (a) giving a true and fair view of the Company's financial position as at 31 December 2023 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
